e-mail: stanj@umich.edu

EDUCATION

University of California at Berkeley, Berkeley, California.
Department of Landscape Architecture, Department of City and Regional Planning
Master of Landscape Architecture, May, 1993
Master of City and Regional Planning, May, 1993

University of California, Davis, Davis, California.
Department of Environmental Design
Bachelor of Science in Landscape Architecture, June, 1988, with Honors

Miami University, Oxford, Ohio.
School of Education and Allied Professions
Bachelor of Science in Education, May, 1983

**ACADEMIC
EXPERIENCE**

Field of Study Coordinator – Landscape Architecture, University of Michigan, School of Natural Resources and Environment. Primary responsibilities include coordination of faculty efforts surrounding curriculum development, recruitment, and long range programmatic planning. Also serve as primary contact for Landscape Architecture FOS for SNRE Dean's office, and as primary liaison for LA student organization, SASLA. September, 2011 – present.

Associate Professor, University of Michigan, School of Natural Resources and Environment. Primary teaching responsibilities for construction methods, materials and construction document preparation. Also responsible for teaching Site Planning design studio, Design/Build course, Landscape History, and graduate seminars on a range of topics. January, 2010 – present.

Department Head, University of Oregon, Department of Landscape Architecture. Primary responsibilities include departmental planning, administration, budgeting, and mentoring for junior faculty in addition to teaching. Provided oversight during accreditation visit for BLA, initial accreditation visit for the First Professional MLA, and preparation of Three Year Report to the Landscape Architecture Accreditation Board for the First Professional MLA. Collaborated with Ph.D. Committee on establishment of and administration for new Ph.D. in Landscape Architecture. March, 2004 – December, 2009.

Associate Professor, University of Oregon, Department of Landscape Architecture. Primary teaching concentrations in Landscape Technologies, Site Analysis, and Design Studios. May, 2000 – December, 2009.

Director, Oregon Summer Architecture Academy, School of Architecture and Allied Arts, University of Oregon. Responsible for staff of 6 and for curriculum development, budgets, student and staff recruitment, and Academy oversight for summer career exploration program. Spring, 1998 – Fall, 2002.

Assistant Professor, University of Oregon, Department of Landscape Architecture. Primary teaching concentrations in Landscape Technologies, Site Analysis, and Design Studios. September, 1994 – May, 2000.

Visiting Assistant Professor, University of Oregon, Department of Landscape Architecture. Developed and taught three courses in the Landscape Technologies series, co-taught one advanced urban open space design studio, two design studios, and co-taught one Design/Build studio. September, 1993 - August, 1994.

GRANTS AND BUILT PROJECTS

“University of Michigan – Dana Hall Garden.” Funded by SNRE Dean’s Office, with assistance from UM Facilities and Architecture and Engineering staff. September, 2011 – June, 2012. \$15,000.

“University of Michigan Campus Sustainability Integrated Assessment.” Funded by The Graham Institute in collaboration with the Office of Campus Sustainability, served as faculty lead for the Land and Water Team, and as a member of the Integration Team. Worked with two separate teams of 5-7 students to gather information and data pertaining to the land and water resources of the campus and its region. From that data, organized and proposed a set of ‘actions’ that will form the basis for several university ‘stretch goals’ pertaining to elevating the Ann Arbor campus’ level of sustainability. January, 2010 – present.

“University of Oregon Lawrence Hall Courtyard Project.” Design and construction funded through the University of Oregon Foundation and by the University of Oregon, Facilities Services Office. Summer, 2006. \$30,000.

“Policy Development in Support of Design Students With Disabilities.” Seed money to create larger project opportunity to develop university and school policy that would enhance the opportunities for students with one or more disabilities to pursue a career in a design-related field. Summer, 2006 – Summer 2008. \$15,000.

“Cultural Landscape Preservation Field School.” Inter-institutional agreement between the National Park Service, Oregon State Parks, and the University of Oregon to support the development and delivery of a Cultural Landscape Field School. Co-Principal Investigator with Mark Davison. Fall, 2005 – Fall, 2010. \$100,000+.

“University of Oregon Campus Heart Project.” Design and construction funded through the University of Oregon Foundation and by the University of Oregon, Facilities Services Office. Summer, 2004. \$90,000.

“University of Oregon Millrace Pond: South Bank Stormwater Sculpture.” Design and construction funded through the University of Oregon, Facilities Services Office. Summer, 2001. \$25,000.

“The Big Backyard: A Reggio Emilia-inspired Playground for the Spencer View Children’s Center.” Design and construction funded through a Meyer Memorial Trust Grant, written in conjunction with Spencer View Family Center Staff. Fall, 1999. \$10,000.

“Networking Cascadia.” Proposal to fund the creation of a Council Of Educators In Landscape Architecture Region One website and interactive listserv to facilitate increased information sharing and networking. Funded by the Council of Educators in Landscape Architecture. Summer, 1999. \$1,400.

“University of Oregon Millrace Pond: North and East Bank Improvements.” Design and

construction funded through the University of Oregon, Facilities Services Office.
Fall, 1998. \$45,000

“West Meadow Bank Stabilization Project: Research, Development, and Testing of Low-Cost, Low-Technology Methods of Columbia River Bank Stabilization and Restoration at The Shire.” Project funded through the School of Architecture and Allied Arts, Office of the Dean. Fall, 1997. \$15,000.

“Open Space Systems and Environmental Equity.” 1997 Dean’s Alumni Faculty Development Research and Creative Work Award, School of Architecture and Allied Arts, University of Oregon. Spring, 1997. \$2,400.

“The World Wide Web as Instructional Delivery Tool In Landscape Architecture Education” (with Kenneth Helphand). Higher Education Challenge Grant Program, United States Department of Agriculture. Fall, 1996. \$21,200.

“Le Marais: An Environmental Educational Facility for the Fox Hollow French School, Eugene, Oregon.” Design and construction funded through the Fox Hollow Parent Council. Summer, 1996. \$6,500.

“Toward Universal Design: Infusing Inclusivity in the Education of Environmental Design Professionals” (with Polly Welch, Linda Zimmer, and Fred Tepfer). Universal Design Education Project Grant. Fall, 1995. \$3,500.

“Power + Place” (with Polly Welch, Linda Zimmer, Doug Blandy, and Fred Tepfer) AAA Lectures and Exhibitions Committee Grant. Fall, 1995. \$1800.

“University of Oregon Millrace Pond: South Bank Site Improvements and Pedestrian Safety Enhancements.” Design and construction funded through the University of Oregon, Facilities Services Office. Summer, 1995. \$60,000.

“Open Space and Environmental Equity.” New Faculty Award, University of Oregon. Summer, 1995. \$4,000.

“Springfield (Oregon) Millrace Park Project.” Design and construction funded by the Willamalane Park and Recreation District, the City of Springfield, and by the National Park Service-Rivers and Trails Assistance Program. Summer, 1994. \$60,000.

PEER-REVIEWED PUBLICATIONS

Jones, S., “Residential Redlines: Landscape Architecture, Visitability, and the Design of Today’s Neighborhoods.” Revisions and graphics under development for submission to Landscape Journal, forthcoming.

Jones, S., “Inclusivity, Landscape Architecture, and The ADA at 25 Years – How are we really doing?” Interviews of landscape architecture firms underway, and article under development for submission to Landscape Journal, forthcoming.

Jones, S., “Re-Viewing The Link Between Building and Landscape: A Still Too Often Separate-But-Equal Approach.” Article under development.

Presented at Environmental Design Research Association 26 (Conference of the Environmental Design Research Association), Boston, Massachusetts. March 4, 1995.

"Open Space and Environmental Equity". Invited lecture, School of Architecture and Allied Arts, University of Oregon. May, 1994.

"SLUGs, BUGs, and Green Guerrillas: Landscape Architecture and Urban Greening". Invited lecture, Department of Landscape Architecture, University of Oregon. April 22, 1994.

HONORS AND AWARDS

1998 Award of Honor, American Society of Landscape Architecture, Oregon Chapter.
"Education, Community Service, and Design/Build."

1998 Award of Recognition. Received at the Designing for the 21st Century Conference, Hofstra University, Long Island, NY, June, 1998. (Award given to faculty members whose

students received an Award of Excellence in the 1998 International Universal Design Student Competition)

1997 Award of Recognition for Excellence in Scholarship, Council of Educators in Landscape Architecture

1996 Nominee, United States President's Service Award.
"Springfield (Oregon) Millrace Park Project."

1995 Nominee, United Way/JC Penney Golden Rule Award for Community Service.
"Springfield (Oregon) Millrace Park Project."

1993 American Society Of Landscape Architects National Student Competition Commendation in Graduate Research. "Open Space and Environmental Equity."

PROFESSIONAL SERVICE

Representative, Michigan ASLA Legislative Advocacy Day. Spring, 2014.

Jury Member, Designing for the 21st Century Student Design Competition, an international design competition coordinated by Adaptive Environments, Inc., and funded by the National Endowment for the Arts. Fall, 2005.

Member, National Task Force for Access to the Design Professions (a project of national and international scope coordinated by Adaptive Environments, Inc., and funded by the National Endowment for the Arts). Summer, 1999 - 2005.

Regional Director (elected), Region 1, Council of Educators in Landscape Architecture. Fall, 1998 – Fall, 2001.

Member, EDRA Participation Network. Fall, 1996 – present.

Member, Student Research Awards Jury, Environmental Design Research Association. Spring, 1996.

LANDSCAPE ARCHITECTURE AND URBAN DESIGN PROJECTS (Abbreviated List)

2016 Urban Oasis Project, HGTV/Scripps (Ann Arbor, MI)
Supervising Instructor/ Charette Coordinator/ Design Implementation 2016.

University of Michigan, Dana Hall East Garden Redesign and Renovation
Supervising Instructor/Project Manager, 2011-2012.

University of Oregon Lawrence Hall Courtyard Redesign and Renovation.
Supervising Instructor/Project Manager, 2006.

University of Oregon Campus Heart Design and Construction.
Supervising Instructor/Project Manager, 2004.

University of Oregon Millrace Pond, South Bank Stormwater Sculpture Project.
Supervising Instructor/Project Manager, 2001.

The Big Backyard: A Children's Environment for the Spencer View Family Center (Eugene, OR). Supervising Instructor/Project Manager, 2000.

University of Oregon Millrace Pond, North Bank Renovation and Site Improvements, Design/Construction Project. Supervising Instructor/Project Manager, 1998.

The Shire: West Meadow Bank Stabilization, Design/Construction Project. Supervising Instructor/Project Manager, 1998.

Fox Hollow Elementary School Environmental Education Facility, Design/Construction Project. Supervising Instructor/Project Manager, 1996.

University of Oregon Millrace Pond Site Improvements, Design/Construction Project. Supervising Instructor/Project Manager, 1995.

University of Oregon New Student Family Housing, Programming and design consultant (with Cameron, McCarthy, and Gilbert - Landscape Architects). 1995.

Springfield (Oregon) Millrace Park, Design/Construction Project. Supervising Instructor/Project Manager, 1994.

West Corvallis (Oregon) Task Force, Urban Growth Visioning Project. Private consultant (with Cynthia Girling), 1994.

Skipanon Waterfront Revitalization Project, Warrenton, Oregon. Private consultant, 1994.

** Numerous professional projects in Northern California, and many community-based projects in low-income communities in the City of San Francisco.
