**Internship Placement Statistics were compiled from 51 SEAS students who completed the Career Services Internship Survey*

How Students Found Their Internship

Funding Source

- **SEAS Career Services:** Includes consulting with Career Services for internship leads, posting, alumni contacts and the Green Career Fair; also includes applications through eRecruiter and internship advising combined with Sussman/Weinberg funding
- **Contacting Directly:** Includes applying on company website, contacting manager directly and applying through outside fellowship programs
- **On-Campus Resources:** Includes Ross on-campus recruiting, William Davidson Institute, UM Career Expo, etc.
