PROFESSIONAL PREPARATION

- 2008 – 2011 Postdoctoral Scholar University of Wisconsin, Madison
- 2008-2010 NSF Postdoctoral Research Fellow in Geography
 - Pastoral Livestock-Wildlife Competition in East Africa
 - 2010-2011 USAID Postdoctoral Research Associate
 - Rangeland Phenology in Sahelian West Africa
- 2002– 2007 Ph.D. (Geography) Michigan State University
- Gill-Chin Lim Award for Outstanding Doctoral Dissertation in Global Studies
 - Dissertation title: Grazing on the Edge: Cattle Mobility, Ecology and Maasai Herding in Southern Kenya
- 2000 – 2002 MA (Geography) Michigan State University
- Thesis title: Seasonal Factors Influencing Livestock Herding Strategies in the Talek Area, Narok District, Kenya: A Political Ecology Perspective
 - Graduate Student of the Year Award (2002)
- 1996 – 1999 BA (Geography) Eastern Kentucky University (*magna cum laude*)
- Specializations: Human-Land Relations, GIS, Statistics, Environmental Planning
 - Milos Sebor Scholarship Award
 - International Student Scholarship Award

APPOINTMENTS & AFFILIATIONS

- 2020 – 2022 *Co-Director of Sustainability and Development Academic Specialization*
- 2020 – 2021 *Director of Diversity, Equity, and Inclusion*
Deans Executive Leadership Council (Highest Decision Making Body at the School)
- 2017 – Present *Associate Professor of Environment & Sustainability*
School for Environment and Sustainability, University of Michigan
- * Recipient of NSF Research CAREER Award (2016)
 - * Recipient of Superior Faculty Teaching Award (2020)
 - * Faculty Affiliate, African Studies Center (2011 – Present)
 - * Faculty Affiliate, Science Technology, and Public Policy Program (2015 – Present)
 - * Faculty Affiliate, Center for Global Health Equity (2022 – Present)
- 2011 – 2017 *Assistant Professor of Natural Resources & Environment*
School for Natural Resources and Environment, University of Michigan
- * Provosts Recognition for Commitment to Global Education
 - * Nominated for Superior Teaching Award (multiple years)
 - * Multiple NSF Grants and Internal Competitions
- 2017 – Present *Faculty Affiliate*
Department of Environmental Studies and Community Development, Kenyatta University

2012 – 2014	<i>Research Associate</i> Center for Sustainable Dryland Ecosystems and Societies, College of Agriculture and Veterinary Sciences, University of Nairobi
2016 – 2017 & 2012 – 2013	<i>Director of Geospatial Data Science Academic Specialization</i> School of Natural Resources & Environment
2008 – 2010	<i>Research Affiliate</i> People, Livestock and Environment Theme, International Livestock Research Institute
2011	<i>Research Associate</i> Department of Geography, University of Wisconsin, Madison ▪ Research focus: Latitudinal gradients of rangeland phenology in Sudano-Sahelian West Africa
2011	<i>Lecturer (GEO 139: Resources and People)</i> Department of Geography, University of Wisconsin, Madison
2008 – 2010	<i>National Science Foundation Minority Postdoctoral Research Fellow</i> Department of Geography, University of Wisconsin, Madison ▪ Research focus: Scale, competition, and the interactions between wildlife and livestock in East Africa
2008 – 2009	<i>Honorary Fellow</i> Land Tenure Center, Nelson Institute of Environment Studies, University of Wisconsin
2007	<i>Instructor (GEO 338: Geography of Africa)</i> Department of Geography, Michigan State University
2000 – 2007	<i>Graduate Teaching and Research Assistantships</i> Departments of Geography, International Studies, and Zoology, Michigan State University
2004 – 2007	<i>Graduate Fellow</i> People, Livestock and Environment Theme, International Livestock Research Institute
2001 – 2003	<i>Research Assistant</i> Land Use Change Impacts and Dynamics Project (LUCID) and Climate Land Interactions Projects in East Africa (CLIP), under <u>UNEP/GEF & NSF</u> funding to the Department of Geography & Zoology Michigan State University and International Livestock Research Institute
2002 – 2003	<i>Research Consultant</i> Land Use Change, Impacts and Dynamics Project (LUCID), under <u>UNEP/GEF</u> funding to the International Livestock Research Institute (ILRI) Nairobi, Kenya
2000	<i>Technical Consultant</i> Arabuko-Sokoke Forest Management and Conservation Plan, under <u>European Union</u> funding to the Joint Task Force Committee with BirdLife International, National Museums of Kenya, Forest Department, Kenya Forestry Research Institute, and Kenya Wildlife Service
1997 – 1999	<i>Undergraduate Teaching Assistant</i> GEO221: Introduction to Physical Geography, GEO 353: Introduction to GIS
1998 – 1999	<i>Research Technician</i> GIS database developing for the City mapping project, under the <u>City of Richmond, KY</u> funding to the Geographic Research and Support Center, Eastern Kentucky University

HONORS, AWARDS & NOMINATIONS

2020	<i>University of Michigan</i> Recipient of the SEAS Superior Teaching Award (Nominated in 2016, 2017, 2018)
2016	<i>National Science Foundation</i> Recipient of the NSF CAREER Award – Geography and Spatial Sciences (NSF’s most prestigious award in support of junior faculty who exemplify the role of teacher-scholars through outstanding research, excellent education, and integration of education and research within the context of the mission of their organizations).
2012, 2013	<i>University of Michigan</i> Nominated and recognized by undergraduate students and the Provost’s office for efforts to advance global engagement.
2008	<i>National Science Foundation</i> Recipient of the NSF Minority Postdoctoral Fellow, Division of Biological Infrastructure
2008	<i>Michigan State University</i> Gill-Chin Lim award for outstanding doctoral dissertation in global studies
2007	<i>Michigan State University</i> Recipient of the travel grant endowment, Department of Geography, College of Social Science, and the Graduate School.
2005	<i>National Science Foundation</i> Recipient of the Doctoral Dissertation Research Award
2003	<i>Michigan State University</i> Recipient of the Walker Hill International Travel Award, International Studies, and Programs
2002	<i>Michigan State University</i> Recipient of the Graduate Student of the Year, Department of Geography
2002	<i>Michigan State University</i> Recipient of the Travel Grant Endowment, Department of Geography, College of Social Science, and the Graduate School
2000	<i>American Congress on Mapping and Surveying</i> Recipient of the Student Project of the Year
2000	<i>Who’s Who in American Colleges and Universities</i> Geography
1997 - 1999	<i>Eastern Kentucky University</i> Recipient of the Presidents List, Dean’s List & Deans Award
1998	<i>Eastern Kentucky University</i> Recipient of the Milos Sebor Undergraduate Scholarship, Department of Geography
1997 - 1999	<i>Eastern Kentucky University</i> Recipient of the International Student Scholarship

TEACHING GRANTS

- 2014 *School of Natural Resources and Environment, University of Michigan*
Dean's Discretionary Grant on Alternative Pedagogies for Understanding Differences in Environmental Security Narratives, US\$9,000
- 2013 *School of Natural Resources and Environment, University of Michigan*
Dean's Discretionary Grant on Alternative Pedagogies for Understanding Differences in Environmental Security Narratives, US\$5,000

TEACHING* & LEADERSHIP SEMINARS ATTENDED

*All teaching seminars organized and attended are through the University of Michigan's Center for Research, Teaching, and Learning.

- 2022 *Deeper Dive into Trauma-Informed Pedagogy and Healing-Centered Engagement*
Explores strategies for understanding, recognizing, and responding to the effects of various types of trauma in the classroom
- 2021 *Equity in Higher Education: What's Assessment Got to do With It?*

Identify processes from data collection to interpretation and reporting for building equity-minded assessment practices in programs and courses.

- 2020 & 2021 *Principles & Practices of Anti-Racist Pedagogy*
Framework for anti-racist teaching (which includes a definition and 6 pedagogical principles) and examples of strategies to consider for implementation in courses.
- 2019 *Mentoring Plans Workshops*
Enhance the mentoring relationship between the Ph.D./MS student and research faculty mentor or advisor.
- 2019 *Applying Principles of Transparency in Classroom Discussions.*
Build upon key research findings of the beneficial effects of transparency for student learning.
- 2018 *Unconscious Bias in Everyday Life*
Examine how unconscious bias can affect one's perceptions, decisions, and interactions.
- 2017 *Faculty Recruitment Workshops*
The Committee on Strategies and Tactics for Recruiting to Improve Diversity and Excellence for faculty members with an important role in faculty recruitment efforts (e.g., search committee chairs and members)
- 2017 *Leadership and Integration in Faculty Transitions*
Faculty career life cycle and its transitions and the Associate Professor role more specifically.
- 2017 *Campus Climate in Your Classroom: Responding to Student Micro-aggressions*
Develop skills for preventing, identifying, and responding to identity-based micro-aggressions among students in classrooms.
- 2017 *Implementing Inclusive Teaching Principles in Your Courses*
Experience and reflect upon teaching strategies for helping students engage and learn across their differences.
- 2016 *Making the Most of Hot Moments in the Classroom*
This workshop explores how to take advantage of 'hot moments' - a sudden eruption of tension, conflict, or big emotion during class.
- 2016 *Gameful Pedagogy: What Is It and How Might You Use It?*
Gameful learning pedagogy is a critical way in which student learning can occur.
- 2015 *How Can Emerging Digital Scholarship Tools Inspire Your Teaching?*
Tools to enhance digital scholarship within the social sciences through tools such as Twitter analysis, multimodal scholarship, data visualization, data literacy, and text analysis.
- 2014 *Teaching with Technology: How Can I Include All Students?*
This approach to teaching involves the technologies to reach students with disabilities.
- 2013 *Teaching in a "Flipped Classroom"*
Strategies to shift students' initial exposure to content from the lecture hall to the outside of the classroom.

STUDENT EXPERIENTIAL LEARNING ACTIVITIES

- 2015 Co-taught eleven-day field training course in Ethiopia on "[Conservation Implementation](#)" as part of the [Biodiversity Informatics Training Curriculum](#) (funded through JRS Biodiversity Foundation). Training of 18 African professionals from Malawi, Benin, Kenya,

	Ethiopia, Cameroon, Egypt, Uganda, Kenya, and Liberia.
2014	Field trip with nine University of Michigan graduate students for NRE 677.123 to meet policymakers at the United Nations Environment Program (Regional Office for North America), Woodrow Wilson Center, Environmental Law Institute, World Wildlife Fund, Stimson Center, Forest Trends, and other organizations in Washington DC on the topic of climate change and conflict
