Green Career

Fairs

A group of diverse young people are gathered around a long table laden with various dishes, including bowls of salad, bread, and other food items. They are engaged in conversation and eating. The scene is set indoors, possibly in a community center or a school cafeteria, with large windows in the background. The overall atmosphere is warm and communal. The image is overlaid with a semi-transparent blue filter.

Our Key Focus Areas to Inspire and Guide

Advising and mentoring

Career readiness

Community building and socialization

Expectations and requirements

Financial information

Intellectual wellness (physical and mental)
