

# Beyond Admitted Student Visit Day: What Happens Next?

**Nick King (he/him)**

Director of Student Development and Support Services

School for Environment and Sustainability (SEAS)

University of Michigan

*Pictured above is a view of the Samuel T. Dana building, home of the School for Environment and Sustainability*

# Before we begin, let's get to know each other!

Where is home for you?

A positive takeaway from your experience today!

A movie, book, podcast, etc. that speaks to your interests

One fun fact you know about U-M!

# An Intro to SDSS

Student Development and  
Support Services

*Pictured here are four SEAS students participating in the Gingerbread House contest at the annual SEAS Winter Solstice celebration.*

# Our Core Areas of Focus

**Advising & Student  
Life**

**Onboarding  
and  
Orientation**

**Student  
Support**

**Curriculum  
Support**

**Fellowships  
& Grants**

# Connect with someone here today!

What motivates  
you to join the  
SEAS Community?

How might our  
SDSS team  
support you?

# Next Stop: Spring & Summer Onboarding

How to Register for Classes

Summer  
Master  
class  
sessions  
with  
Faculty

Social Connections with Student Leaders

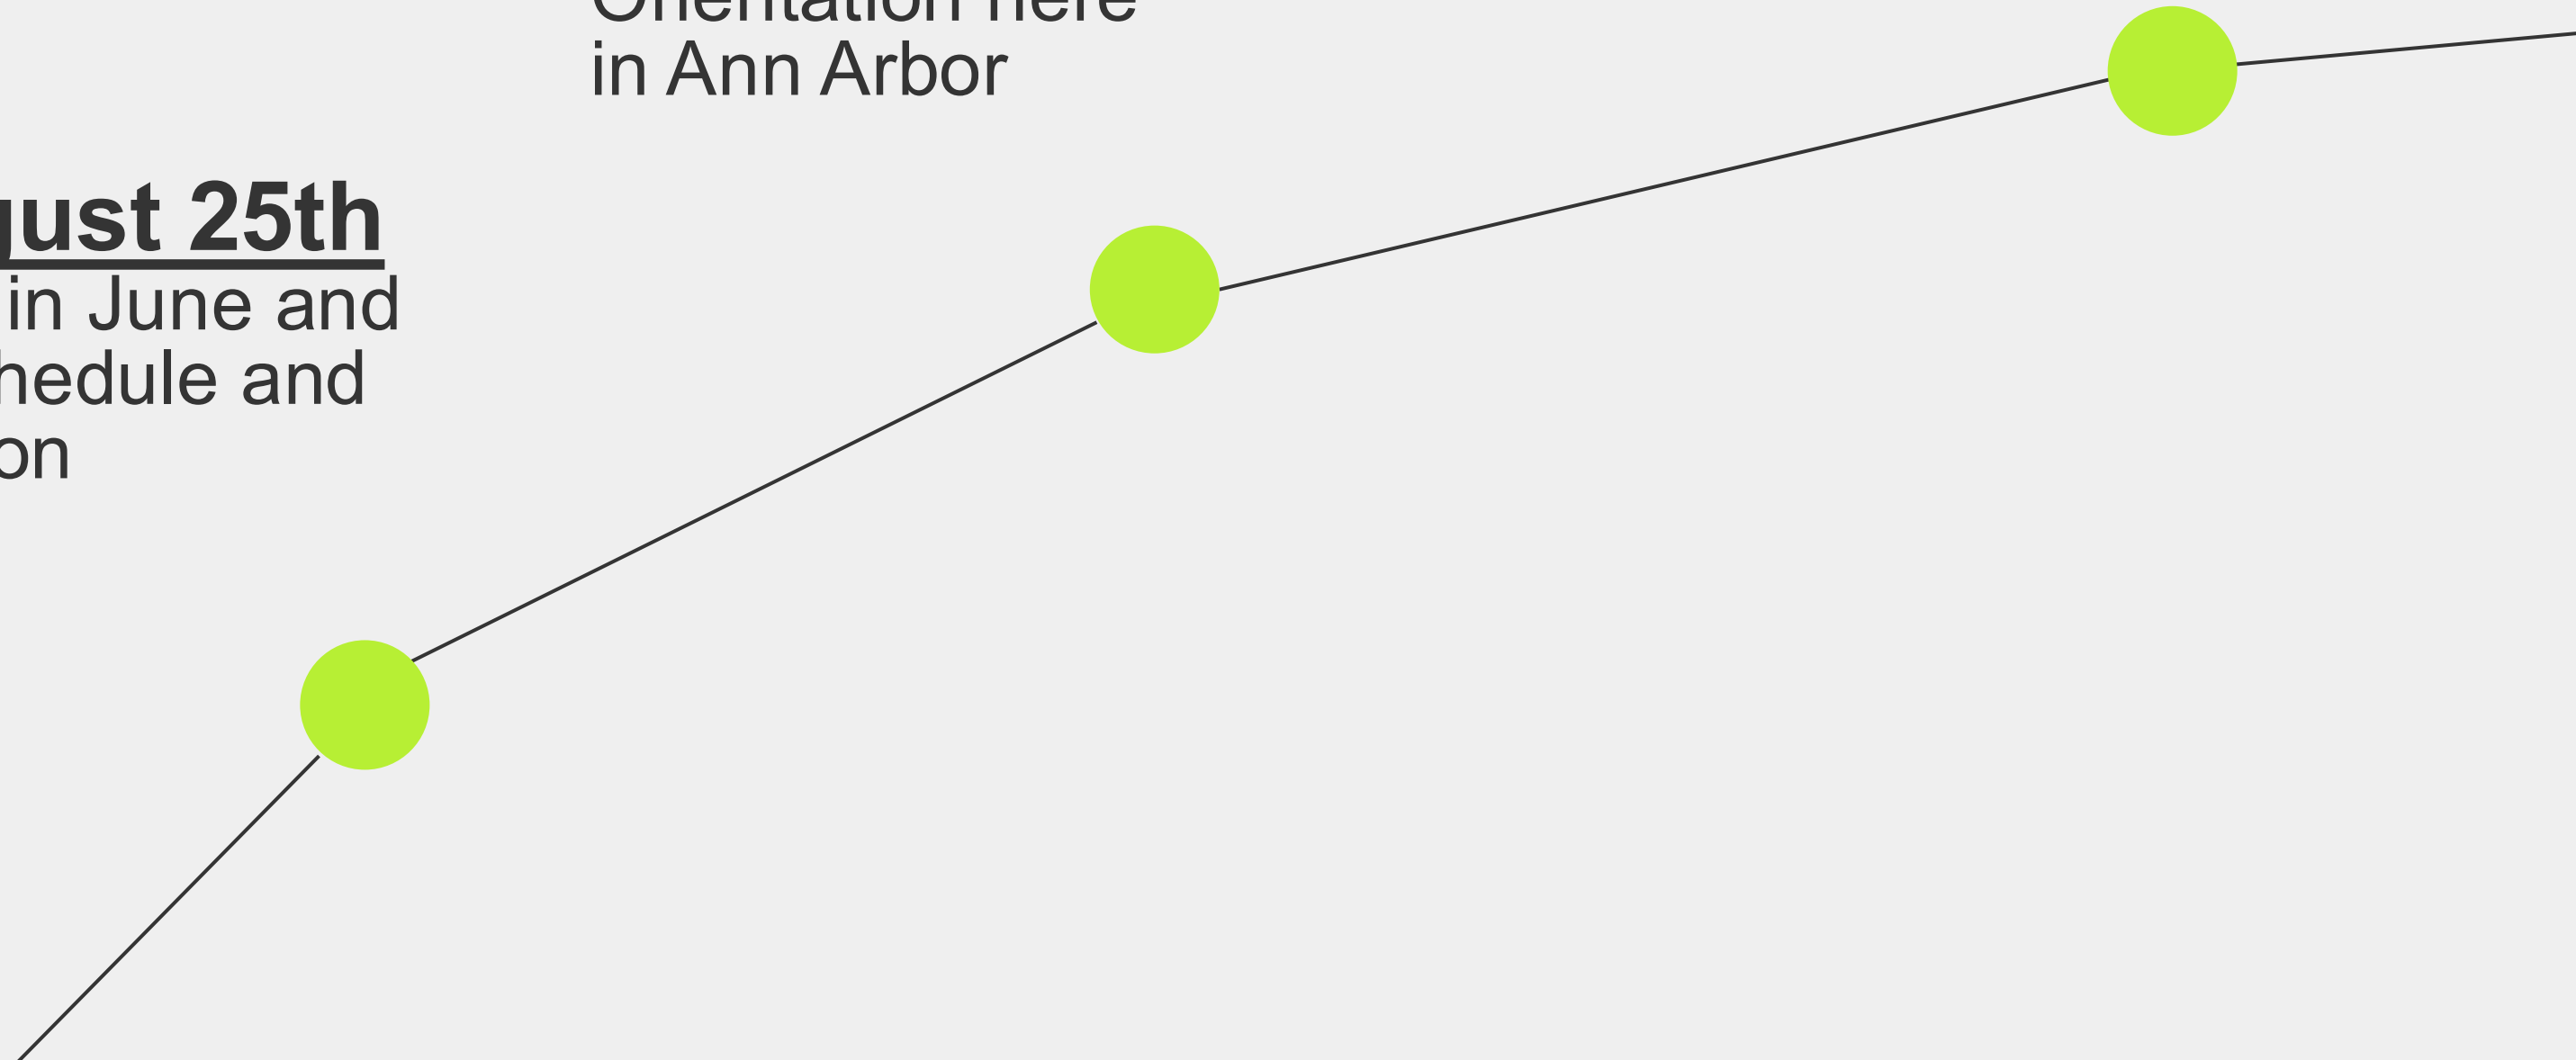

Summer To-Do & Check List Items

# New Student Orientation

**Prior to August 25th**  
Look for emails in June and July with our schedule and RSVP information

**August 25th**  
Day 1 of Orientation here in Ann Arbor

**August 26th-28th**  
Orientation continues at the Biostation

# New Student Orientation

*Pictured above are new SEAS students and current SEAS Student Leaders arriving at the Biostation*

**Pictured above is SEAS Prof. Sheila Schueller leading a breakout activity at the Biostation**

**Pictured above is SEAS Prof. Shelie Miller facilitating an indoor discussion at Orientation.**

**Pictured above is a SEAS Student Leader leading a fun get-to-know-you activity at the Biostation.**

Pictured above is a SEAS student who made a purse using natural materials during Prof. Lisa DuRussell's Orientation activity.

Pictured above are five SEAS students enjoying a river rafting experience at the Biostation
