Professional Experience

- 2023 – **Professor of Practice & Engagement**, *University of Michigan School for Environment & Sustainability*
Present **Director**, *University of Michigan Water Center* (July 2025 - Present)
- Associate Director/Director of Engagement**, *Cooperative Institute for Great Lakes Research (CIGLR)*
(January 2023 - June 2025)
Director of Engagement/Interim Director, *Michigan Sea Grant*
(Interim Director: January - May 2023; Director of Engagement: June 2023 - June 2025)
- 2015 – **Great Lakes Regional Executive Director**
2023 *National Wildlife Federation*
- 2010 – **Education Director**, *Graham Sustainability Institute, University of Michigan*
2015 **Lecturer**, *Program in the Environment and Earth & Environmental Sciences* (2009-2025)
- 2007 – **Policy Director**
2010 *Ecology Center*
- 2004 – **Director** (2005-2007) | **Great Lakes Advocate** (2004-2005)
2007 *Environment Michigan & Public Interest Research Group in Michigan*
- 2002 – **Assistant Professor/Program Director of Environmental Studies**, *Chatham University*
2004 **Interim Director**, *Rachel Carson Institute* (2003/04)
- 1997 – **Co-Director of Sustainability Programs** (1998-2002) | **Environmental Coordinator** (1997/1998)
2002 *University of Michigan Student Life*
- 1996 – **Project Manager**
1997 *Toxics Targeting, Inc.*

Education

- 2002 **Ph.D., Resource Policy & Behavior**, *University of Michigan's School for Environment & Sustainability*
Erb Environmental Management Institute Doctoral Fellow; U.S. EPA STAR Graduate Fellow
Dissertation: Sustainability in U.S. Higher Education: Organizational Factors Influencing Campus Environmental Performance and Leadership
- 1999 **M.S., Resource Policy & Behavior**, *University of Michigan's School for Environment & Sustainability*
Thesis: Development of a Sustainability Management Framework for the University of Michigan Housing Division
- 1997 **B.S. with Honors & Distinction**, *Cornell University's College of Agriculture & Life Sciences*
Major: Biology & Society | Minor: Environmental Studies & Business
Honors Thesis: The Ganges and Nitra River Basins: A Multi-Objective Cost-Efficiency Analysis/Comparison of Pollution Control Strategies for Watershed Planning, Policy, Management and Evaluation
- 2020 **Nonprofit Executive Leadership Certificate**, *Northwestern University's Kellogg School of Management*
The Allstate Foundation Nonprofit Executive Leadership Program

Teaching

University of Michigan

- SEAS 558: **Water Policy & Politics** (2x)
- SEAS 701 – 452: **Great Lakes Water, Climate & Communities** (MS Project Theme Course) (6x)
- EARTH/ENVIRON 344: **Sustainable & Fossil Energy: Options & Consequences** (11x)
- ENVIRON 462-201: **Great Lakes Policy & Management: Analyzing the Future of World's Largest Freshwater Ecosystem**
- SEAS/LAW 741, 002: **Roadmap to Clean and Equitable Power in Michigan**
- ENVIRON/RCIDIV 391: **Sustainability & the Campus** (10x)
- UC 227: **Planet Blue Ambassadors & Student Leaders Training and Assessment** (7x)
- UC 427: **Sustainability Leadership Development** (3x)
- UC 327: **Systems Thinking for Sustainability** (2x)
- ENVIRON 139, 003: **Campus, Culture & Sustainability: Living on a Changed Planet**

Coursera/Michigan Online

- [Sustainability Leadership Development](#) (part of Green Skills for a Sustainability & Just Future Specialization)

Chatham University

- Introduction to Environmental Issues (2x)
- Global Environmental Challenges
- Environmental Issues in the Movies
- Environmental Solutions & Systems
- Ecological Economics
- Peru: Machu Picchu & the Amazon
- Greening the Ivory Tower: Campus Environmental Stewardship
- Greening Our Communities
- Steel Rails to Urban Trails: Environmental Issues in Pittsburgh (featured in *The Chronicle of Higher Education*)

Carnegie Mellon University

- Environmental Challenges and Solutions: Moving Toward Sustainability?

University of Michigan School for Environment & Sustainability Masters' Project Advised

- [Great Lakes Marine Protected Areas: Designating & Managing for Success](#) (2023-24)
 - [Accelerating Watershed Conservation Planning & Implementation in Michigan's Stony Creek \(South Branch River Raisin\) Subwatershed: A Bottom-Up Approach to Reducing Phosphorus Loading into Lake Erie](#) (2023-24)
 - [Understanding Nonpoint Source Pollution & Public Perceptions: A Study of the Black Lake Watershed](#) (2023-24)
 - [Media with Impact: Building a Community-Driven Model for Environmental Justice Coverage in the Great Lakes Region](#) (2023-24)
- Note: Student won "Emerging Leadership" Award from River Network for this work
- Developing a 30x30 Plan for Michigan's Great Lakes (2024-25)
 - A Groundwater Strategy and Action Plan for Michigan (2025-26)
 - The Story of Great Lakes Recovery: Past, Present & Future of the Great Lakes Restoration Initiative (2025-26)
 - Societal Impacts of Great Lakes Ice Decline (2025-26)
 - The Business Response to Microplastics in the Great Lakes (2025-26)
 - Supporting Equitable, Sustainable Flood Resilience in Benton Harbor, Michigan (2025-26)
 - Developing Policy Approaches to Manage Soluble Reactive Phosphorus in Michigan's Western Lake Erie Watershed (2026-27)

Honors Thesis Advisor, University of Michigan Program in the Environment: Alina Molin (2024-25)

External Appraiser for Doctoral Thesis - University of Toronto Scarborough: Gadfly Stratton (2024)

Doctoral Committee Member – University of Michigan School for Environment & Sustainability: Amy Van Zanen (2025-Present)

Invited Presentations, Workshops, Testimony & Media Appearances (Sample of)

- Quoted in over 300 articles on topics ranging from water policy to climate change to environmental justice to environmental health, including in *The New York Times* and *Washington Post*
- Appeared in over 100 TV and/or radio interviews, including in-depth stories on Public Radio, CNN, Michigan Radio and multiple documentaries, including several appearances on National Public Radio shows “Stateside” and “Issues on the Environment”; Guest on “Issues & Ale” for Michigan Public and Public TV’s Climate Town Hall *Poisoned Ground*
- Primary author of over 25 Op-Eds in outlets ranging from the *Detroit Free Press* to *Cincinnati Enquirer*
- Invited presenter at dozens of conferences and workshops, including a keynote/plenary at the Rio Plus 20 Higher Education Summit (2012) and Healing Our Waters – Great Lakes Restoration (2025) conferences
- Testified before U.S. Senate Commerce, Science & Transportation Subcommittee and several Michigan State Legislature Committees
- Lead workshops through Water@Michigan as well as Michigan Sea Grant (“Building Resources for Michigan’s Coastal Resilience Managers”) (2023-Present)
- Session leader and lead presenter at International Association for Great Lakes Research annual conference, including leading sessions on “Centering Communities in Great Lakes Restoration” and “The Intersection of Natural/Social Sciences and Institutions in Restoration” (2024)
- Trained in Piedmont and Ponderosa Model of Building/Integrating Sustainability Into Curriculum
- Guest lectures in multiple courses on Line 5 oil pipeline and other Great Lakes water policy issues
- Presented to Wolverine Caucus on Great Lakes future (2023)
- Presented sustainability leadership series to NextGen Scholars (2024-2025)
- Guest on “Local Energy Rules” podcast – [Envisioning a Future Without Investor-Owned Utilities](#) (November 6, 2024)
- Panelist at Gerald R. Ford School of Public Policy Dean’s Symposium “Policy Innovation for Our Times” (2024)
- Presented “Resourcing Michigan’s Coastal Decision Makers” at Michigan Coastal Assembly (2024)
- Presented “Roadmap to a Clean & Equitable Electricity Future in Michigan” at Michigan Climate Summit (2024)
- Presented “Sustainability Leadership Competencies in Practice” at International Leadership Association (2024)
- Presented D’var Torah at Eco-Shabbat at Temple Beth Israel entitled “Localizing Jewish Climate Response”
- Presented “Great Lakes Leadership Education & Training through Cohort-Based Masters Projects” at International Association of Great Lakes Research’s 68th Annual Conference on Great Lakes Research (Milwaukee, WI – 2025)
- Presented “Developing Sustainability Competencies: A Practitioners’ Perspective” at the Association for the Advancement of Sustainability in Higher Education (AASHE) (Minneapolis, MN – October 2025)
- Presented “Developing Sustainability Competencies: A View from Practitioners” at International Leadership Association (Prague, CZ – October 2025)
- Facilitated “Data Centers & Water in Michigan” session through Michigan Environmental Council (March 2026)
