- Education** Ph.D., Political Science, Duke University, 1986-1992
M.A., Political Science, Duke University, 1986-88
M.B.A., Indian Institute of Management, Ahmadabad, India, 1983-85 (Specialization in Development Administration and Public Policy)
B.A., History, Delhi University, India, 1980-83.
- Positions** 2013 onward: Editor-in-Chief, *World Development*
2009-11: Research Associate Dean, University of Michigan, School of Natural Resources and Environment (SNRE)
2008 onwards: Professor, University of Michigan, SNRE (Sabbatical 2011-12)
2003-2008. Associate Professor, University of Michigan, SNRE.
Coordinator, International Forestry Resources and Institutions (IFRI), 2006 onward.
Associate Professor, and William Dawson Scholar (after January 2003), McGill University, Department of Political Science and McGill School of Environment 2002-2003
2000-2002: Associate Professor, Yale University, Department of Political Science
1997-2002: Assistant Professor, Yale University, Department of Political Science
1993-1997: Assistant Professor, University of Florida, Gainesville, January
- Major Projects** International Forestry Resources and Institutions Research Program (Comparative study of local institutions and forest governance in 12 countries in south Asia, East Africa, and Latin America) [www.umich.edu/~ifri]
-Central African Forests Initiative (Comparative study of logging and environmental governance in Cameroon and Republic of Congo) [www.umich.edu/~cafi]
-ICARUS – Initiative on Climate Adaptation Research and Understanding through the Social Sciences [www.icarus.info]
-SPARCS – Studying Poverty, Agricultural Risks and Coping Strategies (Comparative of climate and environmental risk responses of agricultural households in developing countries).
- H-Index** **ISI, Web of Science** – 27; Google Scholar – 49; **Total Citations** ISI > 3,000; Google Scholar > 16,000
- Publications** Authored Books
