

Petition for a Non-Capstone Master of Science Degree

Name \_\_\_\_\_ Date \_\_\_\_\_

I request permission to waive the capstone requirement and instead take additional approved course work. This is intended for students who have work experience and do not necessarily need the skills that are learned by completing a capstone. I am submitting a 150-200 word statement explaining why this change in capstone is most appropriate for me along with the courses approved for the non-opus option by my advisor.
